The Weekly Bulletin for Great Baddow High School

HEAD LINES

CAREERS FAIR

Thank you to all the exhibitors, staff, parents and students who attended the annual Great Baddow High School Careers Fair. Feedback has been amazing:

'Fab member of staff greeting us at the car park and friendly students. Brilliant questions.'

Loughborough University

'Year 10 and 9 students already researching options.'

Colchester Institute

'Busiest event and the best!'

Mid Essex Initial Teacher Training

'Congratulations to the school and all the teachers for a fantastic evening. My daughter was extremely engaged by many of the varied exhibitors & it has definitely enthused her & opened up her mind.'

GBHS Parent

Half term still saw action for GBHS students: Year 8 boys had a fantastic time on their football tour to Jersey, thanks to Mr Russell and Mr Merrett. Slightly less exciting, but very valuable and much appreciated nonetheless, Year 13 and Year 11 students attended revision sessions for a number of subjects and the library was busy every afternoon with Year 11 students supervised in private study by members of the senior team.

This week we held a very successful Careers Fair: an annual event which is attended by students from Years 9 - 13 and which launches the start of the options process for Year 9 students. We had a large number of exhibitors representing a broad range of potential career paths and it was great to see our students interacting confidently with visitors and also finding out more about sixth form opportunities here. For Year 9, the upcoming Parents Evening on 14th March 2019 and Options Evening on 21st March 2019 will help them to make sound GCSE choices at this important stage of their education.

Carrie Lynch, Headteacher

E-SAFETY NOTICE

Experts are increasingly convinced that the hype surrounding the Momo challenge far outweighs the danger to children. It appears that it is a hoax media storm. Whilst some young children have been frightened by the image of the Japanese sculpture there is no evidence of hacking, of invasive pop-ups interrupting videos or 'challenges' set for children.
